

DHCP Server Lease last-seen comparison

```
/ip dhcp-server lease print where last-seen > "30d"
```

```
/ip dhcp-server lease print where last-seen > "30d" && last-seen != "never"
```

```
/ip dhcp-server lease print where last-seen > "30d" && last-seen != "never" && server=dhcp-lan  
&& comment~"^auto-static"
```
