Vim

- Color Schemes

Color Schemes

The following code with download all of the colorschemes provided by flazz and set molokai as the default.

```
# vim custom colors and vimrc.local changes
mkdir -p /etc/vim/custom
git clone https://github.com/flazz/vim-colorschemes.git /etc/vim/custom
cat << EOF >> /etc/vim/vimrc.local
let &runtimepath=&runtimepath . ',' . '/etc/vim/custom'
set hlsearch
set modeline
set t_Co=256
set background=dark
:colorscheme molokai
EOF
```
